

DCONNECT DIGITAL SERVICES

REMOTE CONTROL FOR ELECTRONIC RESIDENTIAL AND COMMERCIAL SYSTEMS

Taking advantage of the Cloud service, you will also be able to monitor your installation remotely, and receive alarms in real time, wherever you are.

DATA RETENTION

Thanks to the comparison of performance levels during the various seasons of use, through the data log you can analyse the long-term operation of your system.

INCREASE YOUR SAVINGS!

THE MORE PUMPS YOU CONNECT, THE MORE YOU SAVE

Cost example of the DConnect service related to the installation in the photo.
